

# Fall Clean-Up & Francoise Landry

## Community Pride Day

Due to the Spring Clean-up & Francoise Landry Community Pride Day being postponed the last two years as a result of COVID-19 measures, Mayor Perras & Council are pleased to advise residents the details for the Fall Clean-Up and Francoise Landry Community Pride Day.

### Fall Clean-Up:

Public Works will be collecting fall cleanup waste left at the curb for all residential properties. Residents can leave a maximum of one pickup truck worth of materials for free disposal by the Town. Materials must be sorted into groups as follows:

- Wood
- Tires
- Steel and Concrete
- Electronics
- Miscellaneous

\*\*\*Fridges, freezers and other refrigerated appliance are not eligible for collection.

### Collection Schedule:

**East of Ross Road: Oct 12 & 13**

**West of Ross Road: Oct 14 & 15**

**Junction Rd: Oct 18**

**\*Public Works recommends to have all of your waste at the curb on Oct 11th, once the garbage truck passes your house on one of your designated days, they will not return. It'll be the owners responsibility to clean up the waste left at the curb. Also note that regular waste and recycling remains the same and will not be affected by this program.**

### Francoise Landry Community Pride Day October 15th, 2021

On October 15th, we encourage you to grab your household and come out to help clean up the litter in Smooth Rock Falls. Gloves and garbage bags will be distributed at the Public Works garage. Garbage bags can also be dropped off at the Public Works garage or next to the bear wise bins located around Town.

Lets keep everyone safe! Please follow all Covid-19 Health guidelines and be sure to maintain physical distance from others.

\*\*\* Please be aware that the Francoise Landry Community Pride Day is an annual event held on the first Friday of June.

For questions please call the Town Hall at 705-338-2717 ext 3 or email [townhall@townsrf.ca](mailto:townhall@townsrf.ca)
